As a standard, ninth-grade students study mathematics, science, language arts, social studies, and an elective; for example, a foreign language. While the exact courses within these subjects can vary, consider the following list if you'd like an example of what is taught in 9th grade. Algebra 1 (or Geometry)

How to Homeschool Ninth Grade | Time4Learning

Final Advice for 9th grade: When preparing your curriculum for 9th grade I think the best advice I can give you is to continue focusing more on independent work for your student. If you haven't already I encourage you to start teaching them how to read a text, take notes, then study and prepare for quizzes and exams from those notes.
