Artists can make mistakes and not have to start all over again. Erasing is not just for mistakes. Pencil drawing is a process, artists start drawing by making light outlines that help them create a drawing. You can also erase later on the outlines and people will hardly notice that the drawing came from

Hardback ...**

because the traditional sketching techniques often go way beyond the tool itself and into the mind and body of the artist. To me, this is the only way to learn and to master pencil sketching. Pencil sketching is the door to all other drawing media, and good pencil sketching skills lay the foundation for a good artist.
