While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Auschwitz A New History Laurence

The largest mass murder in human history took place in World War II at Auschwitz. Yet its story is not fully known. In Auschwitz, Laurence Rees reveals new insights from more than 100 original interviews with survivors and Nazi perpetrators who speak on the record for the first time. Their testimonies provide a portrait of the inner workings of the camp in unrivalled detail-from the techniques of mass murder, to the politics and gossip mill that turned between guards and prisoners, to the on ...

Auschwitz by Laurence Rees - Goodreads

Laurence Rees takes a very difficult subject and writes a very readable book. His writing on the Nazis and their horrific abuse of fellow human beings is excellent. He treats the subject with the nessecary gravity and doesn't shy away from the unpalatable details of what happened in Auschwitz/ Birkenau. Read more.
