### Aztecs People Of The Sun

The Aztecs were the people of the sun; their city, Tenochtitlan, was founded on the site where the eagle, the representative of Huitzilopochtli, alighted on the stone cactus in the middle of the island in the Lake of the Moon. This lake was Lake Texcoco, known esoterically as Meztiapan. There the heart of the first sacrificial victim was thrown.

A. Sutherland - AncientPages.com - Although the Aztecs had several creation myths, perhaps the most widely known is the story of the five suns, including the Earth-Sun, the Wind Sun, the Rain Sun, the Water Sun, and the Earthquake Sun. There are some similarities between Aztecs' creation myth of the five suns and ancient Greeks myths that describe how each human race created by the gods was less advanced than the previous one.
