### Ben Hogan Golf Manual

Hogan's book is a short, but comprehensive analysis of the golf swing. His stated purpose of giving the average weekend golfer the tools to develop a repeatable golf swing has, in my opinion, been met. The fundamentals he espouses are few, and simple enough to implement without causing one to overthink.

Ben Hogan was a perfectionist. From his swing to his golf club designs, it was always about striving to get things just right. Although younger generations may not connect to the Hogan brand the same way golfers from an older generation would, I believe it is important to recognize the impact the man had on the game, golf equipment, and design.
