Moxibustion is a traditional Chinese medicine technique that involves the burning of mugwort, a small, spongy herb, to facilitate healing. The purpose of moxibustion, as with most forms of traditional Chinese medicine, is to strengthen the blood, stimulate the flow of qi, and maintain general health.

Moxibustion | Huntington Acupuncture and Healing

What is moxibustion? Moxibustion is a form of heat therapy in which dried plant materials called "moxa" are burned on or very near the surface of the skin. The intention is to warm and invigorate the flow of Qi in the body and dispel certain pathogenic influences. Moxa is usually made from the dried leafy material of Chinese mugwort (*Artemesia argyi* or *A. vulgaris*), but it can be made of other ...

Moxibustion | Taking Charge of Your Health & Wellbeing

1. Introduction. In Chinese Medicine, disease is understood as a loss of balance between the yin and yang energies [1, 2]. Balancing yin and yang is a basic concept of acupuncture treatment [1, 3], so combinations of meridians (or their corresponding organs) and acupoints for the balance of yin and yang had been described throughout the history of Chinese medicine [].

In May, the Dutch weather is pleasant, flowers are in full bloom, it is the most beautiful time of the year, and even the air smells sweet. The WFAS 2020 International Symposium on Acupuncture-Moxibustion and The 3rd World TCM Forum will be held in the Netherlands then.

WFAS-Congres - WFAS Congres 2020

One review that was limited to a Chinese literature suggested that acupuncture treatments have a positive effect, while a second did not systematically evaluate the available evidence and even failed to include several important trials [3, 5-13, 15, 16, 18]. The third review was restricted to the pain related to SCI .

Acupuncture is a form of alternative medicine and a key component of traditional Chinese medicine (TCM) in which thin needles are inserted into the body. Acupuncture is a pseudoscience because the theories and practices of TCM are not based on scientific knowledge, and it has been characterized as quackery. There is a range of acupuncture variants which originated in different philosophies ...

Acupuncture - Wikipedia

Moxibustion Moxibustion is a traditional Chinese medicine technique that involves the burning of mugwort, a small, spongy herb, to facilitate healing. Moxibustion has been used throughout Asia for thousands of years; in fact, the actual Chinese character for acupuncture, translated literally, means "acupuncture-moxibustion."
