EdReports | enVision Mathematics Common Core Grade 4 (2020)

Math programs designed for traditional schools generally are too expensive for home educators because teacher editions can cost more than \$100 each. Pearson has developed affordable grade level bundles of the enVisionMATH program (from their Scott Foresman/Addison Wesley division) by providing teacher's editions on CD-ROM along with print ...

enVisionMATH

The basic math concept is gone and Envision math has made something so basic into a 10 point system of coming up with an answer. I get the way it works, but it is not a practical application of real world math. It is turning off my daughter who once loved math. Not a good choice at all!
