Half the world makes Half the world gives While the other half takes. Half the world is Half the world was Half the world thinks While the other half does. Half the world talks With half a mind on what they say Half the world walks With half a mind to run away. Half the world lies Half the world learns Half the world flies As half the world turns. Half the world cries

### Half The World Lyrics | Rush.com

Half the World is the follow-up-but-not-really-a-direct-sequel to Half a King, You gotta hand it to Joe Abercrombie. Knocking it out of the park on his first venture into Young Adult territory could be seen as a fluke, but when he nails it again for a second time, it's clearly a testament to his writing skills and versatility.

### Half the World (Shattered Sea, #2) by Joe Abercrombie

Half the world is. Half the world was. Half the world thinks. While the other half does. Half the world talks. With half a mind on what they say. Half the world walks. With half a mind to run away. Half the world lies.

The World in Half is a beautifully written story that has a certain underlying magic to it. The characters are first introduced as one-dimensional, with simple thoughts and emotions. However, once the novel progresses, their depth and complexity become apparent and there is more to them than meets the eye.
