There are two things you need to know; firstly it's illegal, and secondly - there are much better ways of servicing and understanding your Renault Laguna engine than the Haynes manual. That's essentially what we're here for - to give you an alternative to the Haynes and Chilton, online and totally for free.

I'm looking for a copy of the Laguna III repair manuals. I've got Dialogys, but all docs are in French. I can't find a live link to an English language version anywhere. If anyone has either an English Dialogys they would like to share, or even just upload the MR/TN I would really appreciate it.
