Reviewed in the United States on April 26, 2015. Hockey For Dummies 2nd Edition was a very entertaining 300 page read chalked full of fun stories and information for the person who literally just stumbled upon hockey and wants to know more about it. Furthermore, its' also presented in such an engaging way that those who have some experience with hockey like me, won't be bored [though I personally thought the hockey exercise portion was a bit much].
