Jeffersons Empire: The Language Of American Nationhood ...

Thomas Jefferson Jefferson used this phrase "Empire of Liberty" in 1780, while the American revolution was still being fought. His goal was the creation of an independent American state that would be proactive in its foreign policy while ensuring that American interventionism and expansionism would always be of a benevolent nature:

Empire of Liberty - Wikipedia

Jefferson's Empire is brilliant work by the historian best qualified to give us a new and thorough analysis of Jefferson's concepts of empire, nation, and union. It offers both a fresh angle of vision on Jefferson himself and a superb contribution to the renewed understanding of the importance of federalism to the founding generation."

Peter S. Onuf's book, Jefferson's Empire: The Language of American Nationhood, is actually a collection of five essays that, as he says in his introduction, were prepared for different conferences at different times and places. This biography of one of America's greatest political figures focuses on Thomas Jefferson's role as a maker of foreign policy. Although he was not the sole formulator of American diplomacy, Jefferson's voice was the most pervasive in the first generation of the republic's history. This text explores how the concept of the United States' westward ex

Thomas Jefferson and Native Americans - Wikipedia

Thomas Jefferson: Westward the Course of Empire presents a brisk but comprehensive, eminently fair-minded account of Jefferson's views and policies regarding foreign policy. By no means uncritical of Jefferson's strategic errors and wanderings from his professed principles, Kaplan nevertheless discerns a basic consistency in aims, namely, a ...
