2 Board certification is awarded through the American Board of Prosthodontics (ABP) and requires successful completion of the Part I written examination and Part 2, 3 and 4 oral examinations. The written and one oral examination may be taken during the 3rd year of speciality training and the remaining two oral examinations taken following completion of speciality training.

Prosthodontics - Wikipedia

Prosthodontics You can call it cosmetic dentistry, or a mouth makeover, or a mouth rehabilitation. But in each of these cases, you are talking about three main services: Dental implants, cosmetic dental veneers, and treatment of gum disease. Dental implants provide you with new teeth to replace ones that are either missing or damaged.
