Restorative Justice: Healing the Foundations of Our ...

November 16, 2018. During this season of togetherness and reconciliation we want to highlight the foundation of our very special Healing Retreats: The Circle Process. Deriving from practices of Native Americans, First Nations, and indigenous peoples, the Circle Process allows for the formation of relationships, the honoring of voices, and the creation of unity.

The Origin of Our Healing Circles — Healing Justice

Foundation Restorative Justice is a theory of justice that emphasizes repairing the harm caused by criminal behavior. It is best accomplished through cooperative processes that allow all willing stakeholders to meet, although other approaches are available when that is impossible.

Restorative Justice | Restorative Justice

Healing Justice is a national nonprofit organization that serves individuals who have experienced trauma and inequity in our justice system. Through restorative justice and justice reform, we provide post-trial support and recovery to crime victims, survivors, and their families.

Restoring the Foundations - Healing Hearts, Changing Lives ...

Healing Justice. According to Cara Page, Healing Justice is a framework that identifies how we can holistically respond to and intervene on generational trauma and violence and to bring collective practices that can impact and transform the consequences of oppression on our bodies, hearts and minds. Through this framework we continue to build political and philosophical convergences of healing inside of liberation movements and organizations.
