Spheres Of Influence The Great

Spheres of influence in the loose or nonlegal sense of the term date to the beginning of recorded history. As a tool of great power or imperial control, the assertion of spheres of influence can bring order to peripheral areas but can contribute to conflicts when rival powers seek exclusive influence in the same area or when secondary or client states resist subordination.

sphere of influence | Definition, History, & Facts ...

There, he argues, just as after the war at Yalta, the great powers were concerned to avoid a catastrophic war. There were the roots of the territorial agreements that culminated at Yalta - the "spheres of influence" which the Americans sought to avoid as an Old World curse on the possibilities of a freer and more liberal world economy.
