Sinai, Mount - geography.name

The Sinai Peninsula or simply Sinai is a peninsula in Egypt, and the only part of the country located in Asia. It is situated between the Mediterranean Sea to the north and the Red Sea to the south, and is a land bridge between Asia and Africa. Sinai has a land area of about 60,000 km² and a population of approximately 600,000 people. Administratively, the vast majority of the area of the Sinai Peninsula is divided into two governorates: the South Sinai Governorate and the North Sinai Governorat

Sinai Peninsula - Wikipedia

Geography. The Sinai Peninsula lies between the Gulf of Suez and the Suez Canal on the west and the Gulf of Aqaba and the Negev on the east, and it is bounded by the Mediterranean Sea on the north and the Red Sea to the south. Peninsula

Sinai is bounded on the E by the Gulf of Aqaba and on the W by the Gulf of Suez, which is linked to the Mediterranean Sea by the Suez Canal; the Negev desert is to the northeast. Level and sandy in the north, Sinai rises to the south in granitic ridges; Mt. Catherine (Arabic Jabal Katrinah), c.8,650 ft (2,640 m), is the highest peak. Sharm el Sheikh, or Sharm ash Shaykh, a strategic promontory overlooking the Strait of Tiran, is near the southern tip of Sinai, at the mouth of the Gulf of Aqaba.
