The Viper 5701 system has a great remote start on top of a trusted security system. There are two remotes and one that will send pages from the control module installed in the car. The alarm is very loud and the remote start is excellent. Just hit the button 5 minutes before you are ready to leave because the range is very good.

Quick Reference Install Guide Guide Translations ...

I had the viper 5701 with remote start installed in my 2007 dodge ram mega cab truck installed and the features seems the same as the past vipers but my biggest complaint is the remote. The auto start feature one button is horrible, I could have the remote in my pocket and somehow I accidentally start the vehicle.
