Currently, more than one million YANMAR diesel engines are powering North America's leading edge mobile and stationary off-highway equipment.

Yanmar Industrial Diesel Engines for Sale | Yanmar ...

For example, there is a Yanmar 3JH3 with a 3600 rpm engine and a 2.33 reduction gear, which gives a theoretical propeller speed of 1545, compared to 1333 for the Bukh. I think this means that if the current propeller is perfectly matched to the engine and the boat, this arrangement would achieve only about 85% of its rated power.
